Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

PROBLEM STATEMENT: PS-1		
I am	Describe the customer with 3-4 key characteristics – who are they?	I am a health-conscious individual who wants to manage my daily nutrition and workouts in a structured way.
I'm trying to	List their outcome or "job" the care where about – what they trying to achieve?	Track my meals, follow a proper meal schedule, maintain a grocery list, monitor my health profile, and follow workout plans regularly.
but	Describe the problems or barriers that get in the way here what bothers them most?	I struggle to organize all this information in one place and keep it consistent daily.
because	Describe the reason the problems or barriers exist – what what needs to be solved?	Most tools either focus only on workouts or only on diet, and they do not combine tracking, planning, and guidance in a single system.
which makes me feel	Describe the emotions the result from experiencing the problems impact them emotionally?	Confused and unmotivated to maintain a consistent health routine.

PROBLEM STATEMENT: PS-2		
I am	Describe the customer and their attributes here – who are they?	I am a user who needs guidance and clarity while managing my fitness and nutrition routine.
I'm trying to	List the thing they are trying to achieve here – what they trying to achieve?	Get structured workout suggestions, manage my nutrition plan, and receive helpful assistance when I have doubts.
but	Describe the problems or barriers that get in the way here bothers them most?	I do not always know what workout to follow, how to plan my meals properly, or how to adjust my routine based on my profile.
because	Describe the reason the problems or barriers exist – what needs needs to be solved?	I lack personalized direction and an easily accessible system that combines workout management, nutrition planning, health profile tracking, and assistant support.
which makes me feel	Describe the emotions the result from experiencing the problems or barriers – impact them emotionally?	Overwhelmed and unsure about whether I am following the right health and fitness path.
